

NEWSLETTER FOR SUNDAY JUNE 7TH-
PENTECOST 2

Dear Friends

As this is the first newsletter after Eileen has left us it will undoubtedly be different to what you come to expect. However, it is our hope to continue the newsletter in some form over the coming months, perhaps with different people contributing their own thoughts as well as photographs and information about events both past and coming up.

I think you would agree that the send-off we gave Eileen and Brian on Trinity Sunday went very well and we wish them godspeed and every happiness in their new home just in Scotland.

Thanks to your generosity we were able to present them with cheque for just over four hundred pounds, a contribution towards the cost of making a Japanese garden at their new home.

However, we must look to the future and supported by our Area Dean and clergy living in the Deanery we will be continuing our weekly Sunday services at 10.45 as well as Choral Evensong to mark festivals during the church year.

It is hoped that we will be able to celebrate Holy Communion twice a month and the other two services will be led by lay ministers and the worship team. OK we know there are five Sundays as well, but we will have them covered.

We have a worship group who are busy organising services and choosing hymns as well as continuing organising who does what. If you feel you are able to help we would love to hear from you. Especially we are seeking a pianist or keyboard player to enable our band to support our worship once a month. The telephone number to contact is at the end of the letter.

We will give you as much information as we have available each week.

This Sunday, June the 7th, our service of Holy Communion will be led by Ana the curate from Barnard Castle – come along and meet her. Llewelyn will be playing the organ.

Next Thursday the 11th of June will be Youth Saints in St Mary's at 6.30

Every blessing the churchwardens.
